BOM REPORTS

President - Michael Finn

INTRODUCTION

It is a privilege to present my President's Report for the Ringwood & District Cricket Association for season 2025/26.

Once again, the season showed the strength and scale of the RDCA. Across 58 clubs, around 4,800 people participated in senior men's, junior, women's and veterans cricket.

But the numbers only tell part of the story.

Behind every team and every game are volunteers, committee members, coaches, umpires, parents, administrators and club officials giving their time to make community cricket happen. They remain the heart of the RDCA.

For me, 2025/26 was a season of both **consolidation and transition**.

On the field, junior cricket continued to show great depth, women's cricket grew again, veterans cricket enjoyed remarkable growth, our senior competition remained strong and our representative teams achieved some outstanding results.

Off the field, we continued preparing the RDCA for its next chapter.

Community sport is becoming more complex. Governance, compliance, technology, communication, child safety and competition administration now require far more time and expertise than they once did. Our job as a Board is therefore not only to run today's competition well, but to make sure the RDCA remains strong for many years to come.

One of my personal highlights was establishing the **RDCA Remembrance Round** in partnership with our clubs, local communities, RSL Sub-Branched and RSL Victoria. The second Saturday of November will now be an annual opportunity for our cricket community to honour our ANZAC legacy and recognise past and present servicemen and women.

We also made major progress towards appointing the RDCA's first full-time **Administration Manager**. After extensive consultation, benchmarking and financial modelling with Cricket Victoria, clubs supported the proposal at the Special General Meeting on 29 June 2026.

Work also continued on the **Player Points System**, while new T20 formats, the successful short-season senior grade and other flexible competitions continued to give players more ways to stay involved in cricket.

ACKNOWLEDGEMENTS

The RDCA simply could not operate without the enormous contribution of our people.

My sincere thanks go to the Board of Management, our Senior, Junior, Women's and Veterans Committees, the RDCA Umpires Association and every club president, secretary, treasurer, coach, captain, team manager, scorer and volunteer.

Thank you also to our sponsors — **Kookaburra Sport, Saxon Sports, Dorset Gardens Hotel and Bendigo Bank** — who continue to stand alongside the RDCA and support cricket within our community.

I also acknowledge Cricket Victoria, particularly our Outer East Cricket Manager Stephen Box, and our many partners across metropolitan cricket.

Community sport survives because people willingly give something incredibly valuable — their time.

We never take that contribution for granted.

HONOURS, AWARDS AND RECOGNITION

The season gave us another opportunity to recognise some remarkable service to the RDCA.

Bill Stafford received a Cricket Victoria Service Award for his outstanding contribution to junior and representative cricket administration.

Life Membership

Sean Flynn received RDCA Life Membership following 11 years of service as Junior President.

Graeme Seymour was also awarded Life Membership following 12 years of dedicated service to the Board of Management as Finance Manager.

Hall of Fame

Congratulations to our newest Hall of Fame inductees:

- Bruce Sampson — Norwood CC
- Kane Jones — Seville CC
- Drew McKay — Wantirna South CC
- Sarah Smith — Bayswater Park CC

Each has made a lasting contribution to the RDCA and thoroughly deserves this recognition.

Our major Association awards included:

- **Warrandyte CC** — Phil McCallum Club Championship
- **South Croydon CC** — Ron Ellis Spirit of Cricket Trophy
- **Heatherdale CC** — Bob Bisset Best Administered Club
- **Les Cochrane** — Ken Dunham Umpire of the Year

Congratulations to everyone recognised.

SPECIAL MENTIONS

There are always people working behind the scenes whose contribution deserves special acknowledgement.

Gregor Mason again completed the enormous task of building the senior fixture across 21 grades and approximately 170 teams.

Within junior cricket, Bill Stafford, Dale Ingleton, David Sykes, Doug Dowling and the entire Junior Committee continued to do outstanding work.

Within senior cricket, Wayne Hartley, Paul Broussard, Chris Anderson, Steve Oxley, Adam Kuklych, Warren Atkinson, Pat Meehan, Doug Wooles and Peter Chammings all made significant contributions throughout the season.

I also thank **Linda Bailey**, who completed her time as Chair of the Women's Committee after another successful season, and **Belinda Cunningham** for her tremendous work behind the scenes.

There are many more people across our clubs and committees doing work that often goes unseen. To all of you — thank you.

SENIOR MEN'S

Senior cricket enjoyed another strong year, with approximately 170 teams competing across 21 grades.

One of the real successes was the introduction of the **ten-game short-season grade**.

It provided another option for people who still love cricket but cannot commit to a full season. It also brought older players back to the game and provided another pathway for juniors making the move into senior cricket.

Our Senior Men's T20 competition also continued to grow, with 42 teams from the RDCA and neighbouring associations participating.

The Senior Committee again focused strongly on applying competition rules fairly and consistently so clubs could have confidence in the way decisions were made.

The introduction of the Administration Manager and Player Points System will now be important developments for senior cricket in 2026/27.

SENIOR WOMEN'S

Season 2025/26 was the fifth year of the **RDCA Women's Competition**, and its growth remains one of the great stories of our Association.

Thirty-six teams from 27 clubs competed across five grades, with new teams from Knox Boronia, Vermont, Vermont South/Blackburn and Eastfield joining the competition.

Premier A and B Grades sit alongside Community C, D and E Grades, giving players of different ages, abilities and experience genuine opportunities to participate.

A standalone Women's T20 competition was also introduced over Christmas. Despite some wet weather and late withdrawals, 12 teams took part, with Mooroolbark becoming champions.

The Women's All Stars again had the opportunity to play Ringwood, although unfortunately the weather prevented a result.

Women's cricket continues to grow in both numbers and quality, and it is exciting to see where it can go next.

JUNIORS

Junior cricket remains one of the great strengths of the RDCA.

This season, **221 teams** competed outside our T20 competitions:

- Mini Bash — 47 teams
- Girls Stages — 35 teams
- Under 12 — 63 teams
- Under 14 — 42 teams
- Under 16 — 34 teams

The growth of Under-12 cricket was particularly encouraging, increasing by eight teams and requiring an additional grade.

Across 24 premierships divisions, **17 different clubs won Grand Finals**, which says a lot about the balance and depth of our junior competition.

Heatherdale won the Junior Champion Club Award, while Warranwood enjoyed an outstanding year with three premierships.

We also celebrated a piece of RDCA history when **Charlotte Witchell became the first player in our junior girls' competition to score a century**.

Most importantly, we continue to see juniors progressing into senior cricket and representative pathways. That gives us great confidence in the future.

UMPIRES

Our umpires remain an essential part of the competition.

Around **36 senior umpires** were regularly available throughout the season and finals.

While we would still like greater numbers to provide two umpires across more grades, we were able to appoint two umpires across the top five grades during finals.

Junior umpiring also continued to grow, with umpires covering a broad range of Under-12, Under-14 and Under-16 grades, Girls Stage 3 and all junior finals.

It was also pleasing to welcome new and returning senior umpires, including the experience of a former state and international umpire.

Congratulations to **Les Cochrane**, our Umpire of the Year, and to everyone selected for Grand Final appointments.

REPRESENTATIVE CRICKET AND PATHWAYS

Representative cricket provided some of the biggest highlights of our season.

The RDCA entered 10 teams in the VMCU Junior Carnival and won two premierships:

- **Under-17 Jim Beitzel Shield**
- **Under-17 Mel Jones Shield**

Our Under-12 Fatone Shield team also reached the Grand Final, with several other teams progressing deep into the carnival.

Beyond the VMCU program, more than **50 RDCA juniors** were selected across GJ Craig Shield, Marg Jennings and Dowling Shield squads.

This included 26 Craig Shield players, 17 Dowling Shield players and 18 girls selected for Marg Jennings.

The annual Men's and Women's All Stars matches against Ringwood Cricket Club again gave our leading players an opportunity to represent the RDCA, although weather unfortunately affected both games.

Our relationship with Ringwood Cricket Club remains an important part of the pathway for talented players within our Association.

EVENTS, SPONSORSHIP AND MARKETING

Our major events once again brought the broader RDCA community together.

The Senior Presentation Night at Dorset Gardens was another terrific celebration of players, clubs, volunteers and officials.

The Senior T20, Women's T20 and Veterans T20 competitions also highlighted the growing demand for shorter and more flexible cricket formats.

The Veterans T20 Big Bash grew from **16 teams to 22**, welcoming Healesville, Knoxfield, Wantirna South, Lilydale, Heatherdale and Southeast Veterans.

Players travelled from Geelong and Gippsland to participate, showing just how far the competition's reputation has grown.

Our major community initiative was the launch of the **RDCA Remembrance Round and Ceremony**, which will now be held annually on the second Saturday of November.

The inaugural ceremony was held at Silcock Reserve and wonderfully hosted by Croydon Ranges Cricket Club. The turnout was fantastic, with clubs from across the RDCA joined by

local and state government representatives, members of several RSL Sub-Branches and members of the wider community.

A very special thank you must go to **Jo Fairy, our Head of Marketing and Sponsorship**, for the outstanding work she put into bringing the entire Remembrance Round together. From the planning and coordination through to working with our clubs, RSL representatives, guests and community partners, Jo played a major role in ensuring the day was delivered with the respect, professionalism and sense of community that the occasion deserved.

It was a huge undertaking and a wonderful example of what can be achieved when cricket and community come together.

I believe the Remembrance Round will become an important part of the RDCA calendar for generations to come, and Jo's contribution in helping establish that legacy deserves our sincere thanks.

GOVERNANCE, ADMINISTRATION AND OPERATIONS

One of the Board's biggest priorities has been preparing the RDCA for a more sustainable administrative future.

Volunteer capacity is becoming one of the biggest challenges facing community sport.

As our competition grows and compliance becomes more demanding, it is increasingly difficult to expect volunteers to carry the administrative workload required to operate an Association of our size.

After several years of investigation and planning, the Board therefore progressed the **Administration Manager** proposal.

Following club support at the Special General Meeting on 29 June 2026, we are now working with Cricket Victoria to have a full-time Administration Manager in place for the beginning of season 2026/27.

This is much more than simply adding a paid employee.

It is about protecting our volunteers, improving support for clubs and giving the RDCA greater administrative security for the future.

POLICIES, SAFETY AND MEMBER CONDUCT

Keeping players, officials, volunteers and spectators safe remains one of our most important responsibilities.

All RDCA clubs were compliant with Australian Cricket's updated Child Safety Framework during the season.

We also continued working through player registration, insurance and PlayHQ requirements, particularly ensuring fill-in players are properly registered before taking the field.

Sadly, the season also reminded us just how important emergency planning can be.

A spectator tragically lost his life following a falling tree branch at an RDCA venue, while a Wonga Park player required resuscitation during another match.

These were difficult moments for everyone involved and have reinforced the importance of emergency procedures and having accessible defibrillators at our grounds.

Cricket is important, but the health and safety of everyone within our community must always come first.

FINALS

The weather certainly tested us throughout the season.

Senior and junior matches were interrupted, Veterans T20 rounds and finals needed to be moved, and both All Stars matches against Ringwood were affected.

Despite those challenges, our competitions and finals were successfully completed thanks to the flexibility and cooperation of clubs, committees, ground staff and umpires.

The year also presented some very difficult situations away from the scoreboard.

I particularly thank those people who stepped forward with compassion and leadership when circumstances became much bigger than cricket.

COMMUNICATIONS

Good communication becomes more important every year as the RDCA continues to grow.

Clubs are becoming increasingly comfortable with PlayHQ in its third season, although challenges with OfficialsHQ and external support remain.

The Junior Committee worked hard to improve communication around grading, while the Umpires Association introduced changes to captains' reporting.

These may seem like small improvements, but together they make the experience of dealing with the Association easier for clubs.

There is still more work ahead as we continue improving both our administrative and broader community communications.

SPONSORSHIP AND PARTNERSHIPS

We are fortunate to have partners who genuinely believe in what the RDCA represents and the role community cricket plays across our region.

Special thanks again to **Kookaburra Sport and Saxon Sports**, together with all of our valued sponsors and partners.

I am pleased to announce that as of 13th August 13, 2026 the RDCA has renewed its partnership with Kookaburra for another 5 years to be the RDCA's official ball supplier. We

thank all concerned at Kookaburra in particular Ed Newman and Leigh Watts for their continued support.

Paul Attfield and the team at Saxon Sports continued their outstanding support of junior representative cricket, awards, indoor trials and senior trophies.

Radio Eastern 98.1 FM also continued its support of the Women's Player of the Year.

A very special thank you also goes to our partners at **Field of View Sports Photography**.

Each season, the Field of View team can be found right across the RDCA capturing the people, action and moments that tell the story of our competition. The wonderful images we are fortunate to share through our social media every week give our players, clubs, families and volunteers the opportunity to see themselves and their cricket community celebrated.

Their work has become an important part of how we showcase the RDCA, and we sincerely thank them for their continued commitment and support.

Our relationships with Cricket Victoria, the VMCU, Ringwood Cricket Club, FTGDCA, BHRDCA and our member clubs also allow us to provide opportunities that simply would not be possible working alone.

All of these partnerships are greatly valued.

CLUB AND PREMIERSHIP RECOGNITION

Our clubs are the RDCA.

Congratulations to every team that competed throughout the season, everyone who reached finals and every club that celebrated a premiership.

Special recognition goes to:

- Warrandyte — Senior Club Championship
- South Croydon — Spirit of Cricket
- Heatherdale — Best Administered Club
- Heatherdale — Junior Champion Club
- Bayswater Park — Women's A Grade Premiers
- Mountain Gate — Women's B Grade Premiers
- Heatherdale — Women's C Grade Premiers
- Wonga Park — Women's D Grade Premiers
- Vermont — Women's E Grade Premiers
- Seville Burras — Veterans T20 Big Bash Premiers

Seeing success spread across so many clubs is a wonderful reflection of the strength and competitiveness of our Association.

FOCUS FOR SEASON 2026/27

There is plenty ahead of us next season.

Our key priorities include:

Administration Manager

Recruiting and successfully integrating the RDCA's first full-time Administration Manager.

Player Points System

Introducing the new system while supporting clubs through the transition.

Volunteer Sustainability

Reducing the administrative burden on volunteers and strengthening succession planning throughout the Association.

Competition Growth

Continuing to grow women's, veterans and junior cricket while maintaining a strong senior competition.

Junior Pathways

Building on the strength of our Under-12 numbers and retaining players through Under-14, Under-16 and into senior cricket.

Girls' Cricket

Strengthening Stage 3 and continuing to build competitive, enjoyable opportunities for girls.

Umpiring

Recruiting and developing more umpires across senior and junior cricket.

Player and Spectator Safety

Improving emergency preparedness and strengthening defibrillator requirements across our venues.

T20 and Alternative Formats

Continuing to develop formats that bring former players back, keep existing players involved and attract new people to cricket.

RDCA Strategic Plan

With the Administration Manager coming on board and several important changes underway, the Board will also undertake a full review of the RDCA's **five-year Strategic Plan** to ensure it reflects where the Association is heading next.

IN CLOSING

When I look across the RDCA today, there is a great deal to be proud of.

We have one of metropolitan Melbourne's largest and most diverse cricket communities. We have strong junior pathways, a growing women's competition, successful veterans and T20 programs, committed senior clubs, outstanding representative pathways and a financially sound Association.

But we cannot stand still.

Strong organisations stay strong because they continue to evolve.

The work now being done around professional administration, governance, volunteer support, competition structures and safety is about making sure the RDCA we eventually hand to the next generation is even stronger than the one we inherited.

Most importantly, thank you to every player, parent, supporter, volunteer, umpire, sponsor, committee member and club official who contributed during season 2025/26.

The RDCA belongs to all of us.

It remains a genuine privilege to serve as President, and I look forward to sharing another great season of cricket with you all.

Finance Manager - Graeme Seymour

Season 2025/26 was a season of consolidation on the financial front for the Competition.

Association turnover for the year (excluding Umpire Match Day fees where we act as a collection & payment agency for the RDCAUA) increased marginally over the 2024/25 season from \$424,354 to \$429,844. Some of the major variations were:

	2025/26	2024/25	Change
Affiliation fees	\$63,254	\$60,755	\$5,490
Government Grants	\$1,861	\$Nil	\$1,861
VMCU Carnival Player Fees	\$18,618	\$14,218	\$4,400
VMCU Carnival Umpire Subsidy	\$3,520	\$2,250	\$1,270
Presentation Night Receipts	\$25,164	\$21,891	\$3,273
Ball Sales	\$202,504	\$208,140	(\$5,636)
Scorebook Sales	\$4,282	\$7,691	(\$3,409)

Season expenses were slightly down on last year overall from \$412,175 to \$408,528. Some of the major variations were:

Ball Purchases	\$197,144	\$202,389	(\$5,245)
Scorebook Purchases	\$4,590	\$7,793	(\$3,203)
Honorariums	\$40,000	\$37,350	\$2,650
Website Design Costs	\$1,699	\$Nil	\$1,699
Consultants Fees	\$Nil	\$6,000	(\$6,000)
Presentation Night Costs	\$28,512	\$23,228	\$5,284
Trophies & Medal Costs	\$24,342	\$23,432	\$910
Caps & Clothing Costs	\$15,051	\$17,620	(\$2,569)
VMCU Carnival Coaching Fees	\$10,000	\$7,000	\$3,000

For the year ended 31st May 2026, the Association recorded a surplus of \$21,316 compared to the previous year \$12,179, a pleasing result overall.

At year end we are holding \$192,834 in Cash. Debtors at year-end of \$6,880 is up on last year \$735, but as at the date of this report, all Club debtors have been received in full. Stocks of Medals, Balls & Clothing have reduced from \$12,495 to \$9,805 at year end. The RDCA has minimal liabilities owing at year end & we are holding unspent Government Grant monies of \$2,840 as well as 2026/27 Advance Sponsorship monies of \$2,000.

In last years report I made mention of the anticipated appointment of an Administration Manager to help lessen the load on all Association Volunteers. As we are all aware, this didn't happen, but following the Special General Meeting on 29th June 2026, and the work done since, it is anticipated that this will be achieved before the start of the 2026/27 season. As usual I thank all the Association sponsors for their continued support both in cash & kind, & in particular, our two largest sponsors, Kookaburra Sport & Saxon Sports.

As well as our sponsors I thank all Club & Association Volunteers who help make the RDCA the pre-eminent Metropolitan Cricket Competition that it is.

In closing, a big personal thank you to all Club Treasurers for their co-operation during last season & I look forward to a successful 2026/27 season.

VMCU - Pat Meehan

Pat Meehan continued to represent the RDCA as our delegate to this body.

The VMCU consists of a Board made up of the 8 Directors of each Metropolitan Region, together with delegates from every Metropolitan Cricket Association. Pat Meehan is both the Director – Outer East on the Board and the RDCA Delegate.

Over the past season the main cricket activities relate to the management and implementation of metropolitan cricket. The VMCU Carnival proceeded in January 2026 with 97 teams competing, including both boys and girls teams, and having 1,250 approx. players from 12 Associations in 10 grades with 270 games played. The RDCA was strongly represented with 10 teams entered in all grades. Success came with premierships in both the U/17 Beitzel and U/17 Jones Shields, runners up in U/12 Fatone Shield, and three teams competing in the semi-finals – U/16 Mackay, U/13 Nolan and U/12 Browne Shields. A huge thanks are extended to all the players, coaches, managers, parents and umpires for their significant contribution to this very successful Carnival.

The most significant matters dealt with during the season

- Implementation of Australian Cricket's Child Safety Framework by all Associations and clubs to meet the updated CA's Child Safe Standards, with the appointment of Child Safety Officers at all clubs state-wide. Clubs need to formally minute the new safety declaration and forward to CV before the commencement of each season. Monitoring the progress of the implementation within each Association is ongoing. This season all RDCA clubs were compliant.
- Continuing negotiations with CA/CV on PlayHQ (with some enhancements) and OfficialsHQ Version 2.0 (with the latter being for umpires appointments and administration) on the need to address many issues experienced during the implementation phase. As part of these packages, relevant fees have been set by CA for insurance, player registration and administration. All players senior and junior both male and female must register online through PlayHQ with the appropriate payments made before they can play in the next season. A key issue is "fill-in" players not being registered and thus not covered by insurance. This will be heavily scrutinised next season. The VMCU Board is monitoring the implementation progress with CV Management, particularly on the many issues raised by Associations and clubs. Difficulties have been experienced as PlayHQ is now based in South Africa with issues resolution times increased.
- Regular updates have been held with CV staff on organisational changes, cricket participation statistics, schools and cricket blast programs, available cricket grants to clubs and associations, the interaction with the Premier Pathway, Premier Cricket and the VMCU Junior Carnival and CV annual strategic plans for next season. The Premier Pathways for U/18 Male and Female, U/16 Male (Dowling Shield) and U/15 Female (Marg Jennings Cup) are now being administered by the individual premier clubs. The VMCU Board is ensuring that the role played by the VMCU Junior Carnival, or Associations, in the development of junior cricket and representative opportunities, is considered during the squad selection process to compliment and not compete for Associations junior players, especially with fixturing of matches during the Carnival two-week period. A firm date has been set for early October by CV's High Performance Group to ensure

no repeat of the currently poaching of players from the association squads as happened in recent seasons.

- Following the identification of the loss of association volunteers and the difficulty in finding replacements, paid replacement administrators are being employed with CV assistance in the selection process and the “on costs” management. Three Associations (CSB, BHRDCA and DVCA) have engaged a paid administrator using either their own funding or levying clubs. Some success has been reported. A few other Associations have appointed their own paid administrators on a part-time basis. Following clubs’ agreement at a Special General Meeting, the RDCA is currently working with CV management to start the employment and selection process for a paid full-time administrator. The aim is to have the person in place by the start of next season.
- Discussion on disciplinary issues with players and clubs with suspensions, bonds, etc. , who can participate in different associations, including winter competitions, has been undertaken due to some concerns and the need to share information. This would involve assessing the PlayHQ process and the possible need to have this information on the VMCU website to assist all relevant parties. This is ongoing.

Other matters considered were:

- Grounds availability issues for clubs and teams – particularly new clubs and additional teams for existing clubs.
- Female cricket structure in the north and west metro areas.
- Parental behaviour at junior matches.
- Establishment of a Player Points Working Group.
- CV establishment of independent tribunal members with processes and procedures for the use of all associations as required.

In addition, the VMCU is also the body which deals with both club and player appeals against penalties imposed by an Association, which if it meets the criteria, would be considered by its independent panel for final resolution.

Outer East - Pat Meehan

The Outer East Region covers the municipalities of Knox, Maroondah and Yarra Ranges and comprises of clubs in the Ringwood and District Cricket Association (VMCU Affiliate) and the Ferntree Gully Cricket Association (VCCL Affiliate). This season the RDCA had 58 clubs with 164 senior teams, 221 junior teams (male and female), 36 women’s teams and 35 veterans teams with 4,800 overall participants. The RDCA Headquarters is located at the Board Room and Office upstairs in the R O Spencer Pavilion at Jubilee Park, Ringwood (together with Ringwood Cricket Club and CV regional staff). Premier Cricket is represented in the region by Ringwood Cricket Club with the Victorian Sub-District Cricket Association represented by both Bayswater and Croydon Cricket Clubs.

C V staff operating in the region for the season were Mark Freeman, Area Manager and Stephen Box, Cricket Manager- Outer East Metro. These people assisted all clubs and work closely with them and schools in the region to offer a program of clinics, competitions, and

activities to increase the availability of cricket in various formats to both male and female participants.

Ringwood C.C. is our partner for the regional pathway program and undertakes the management and coaching of the Outer East Eagles male and female squads in the State Championships. The Annual RCC v RDCA match was played at Jubilee Park, main oval, on Wednesday 11th February 2026 with the match being abandoned at the change of innings due to heavy rain and unsafe ground conditions. An RDCA Women match was played against RCC Women on the same night on Oval No.2 but also had to be abandoned. The latter team comprised of many first eleven players.

The region was strongly represented in the VMCU Junior Carnival held in January 2026 as the RDCA entered 7 male and 3 female teams in all grades and FTGDCA entered 7 teams (6 male and 1 female). A total of 97 teams competed, which was down on previous years due to both an ages and grades restructure. RDCA were the premiers in the U/17 Beitzel and U/17 Jones Shields and runners up in the U/12 Fatone Shield with another three teams competing in the semi-finals in U/12 Browne, U/13 Nolan and U/16 Mackay Shields. The FTGDCA competed in the U/16 Mackay Shield semi-final. A huge thanks are extended to all players, parents, players, managers, coaches, and umpires for their significant contribution to this successful Carnival.

Women's cricket continues to grow within the region both at Premier Cricket level with RCC and the Associations. The RDCA girls' competition had 35 teams in 5 grades. The standard is also improving as evidenced with some Stage 3 girls players making their debuts in women's teams. The RDCA managed the "RDCA Women's" competition again this season to provide a pathway to allow all women and junior girls in both the Outer and Inner East Regions to participate in cricket at all skill levels. This resulted in 27 clubs entering 36 women's teams in 5 grades. (FTGDCA conducted both women's fortnightly T20 social sixes and weekly competitions). Many of these were new teams included women who have never played cricket before and Stage 3 girls. This was once again highly successful with many other clubs from both the RDCA and other Associations indicating that they hope to enter teams in this competition next season. In the Men's competition the top grades (Premier 1 and 2) played a mix of two day and one day matches with the lower grades (District 1 and 2) playing one day and two-day matches – some with split innings. Thankfully, the season and all finals were successfully completed with minimal impact on team numbers. A successful T20 competition open to teams from adjacent associations had 42 teams competing with Johnson Park (FTGDCA) winning over Mooroolbark (RDCA) in the final.

SENIOR COMMITTEE REPORTS

Chair - Wayne Hartley & Secretary - Paul Broussard

Season 2025–26 was another important year for senior cricket across the RDCA, with strong participation, committed clubs, and a continued focus on providing competitive, enjoyable cricket for players, officials, volunteers, and supporters.

On behalf of the Senior Cricket Committee, I thank all clubs for their cooperation throughout the season. The successful delivery of cricket relies heavily on the work done behind the scenes by club administrators, captains, coaches, scorers, umpires, and countless volunteers. Their contribution ensures matches are organized and the competition continues to run smoothly each week.

The season again highlighted the depth and passion within our senior competition. Across all grades, players represented their clubs with pride and produced many memorable performances. Congratulations to all teams that reached finals and to the premiership sides on their achievements. Reaching the end of a season in strong form takes commitment, consistency, and teamwork, and those efforts should be recognized.

Thank you also to the RDCA Board for their support and guidance during the year, and to the umpires for the role they play in maintaining the standard and spirit of the game. The relationship between clubs, officials, and the Association remains central to the strength of our competition.

As Chairman, I acknowledge the continued challenges faced by clubs, including player availability, ground and facility demands, weather interruptions, and the ongoing need to attract and retain volunteers. Despite these pressures, clubs continued to show resilience and a willingness to work together for the benefit of cricket. This cooperation is greatly appreciated.

From a Senior Committee perspective, it has been pleasing to see the season delivered not only through strong competition on the field, but also through steady cooperation off it. The clubs remain the center of the Association, and the committee's role is to support them with clear administration, consistent decision-making, and a competition structure that continues to meet the needs of players at every stage of their cricket journey.

The Senior Committee also placed a firm focus this season on providing fair and equitable administration across all senior competitions. In doing so, the committee consistently returned to the rules of the competition, which are in place with the approval and support of the clubs themselves. This approach helped ensure that decisions were made carefully, transparently, and consistently across the board. We believe this has been well received and respected by clubs, and it has reinforced the importance of having clear rules and applying them evenly for the benefit of the whole competition.

This season also saw the introduction of the short season grade, with a reduced ten-game season designed to provide a more flexible option for players and clubs. Pleasingly, this format was received as a remarkable success, particularly for those more casual cricketers who still wanted to remain involved in the game without the commitment of a full season. It also encouraged the return of many very senior players, whose experience and enthusiasm added greatly to the competition. Perhaps most pleasing of all was the introduction of many junior cricketers into senior cricket, giving them an important opportunity to take the next step in their development in a supportive environment. We are

hopeful that this concept can be further developed over coming seasons as a pathway for players either returning to senior cricket or beginning their senior cricket journey for the first time.

The Senior Committee would also like to thank RDCA Life Member Gregor Mason, who, while not sitting on the committee, again made a substantial contribution through the creation of the season fixture. With twenty-one grades and approximately 170 teams involved, the scale of this task cannot be overstated. The time, care, and expertise required to balance grounds, teams, grades, byes, club requests, and competition needs is enormous, and without Gregor's knowledge, patience, and his now-famous Excel worksheet, we would undoubtedly find ourselves in a world of pain. His contribution is greatly appreciated by the Senior Committee and by the wider Association.

The Senior Men's section of the RDCA was once again able to deliver a highly enjoyable Presentation Night at Dorset Gardens, bringing together players, clubs, volunteers, officials, and supporters to celebrate the season in fitting style. Special thanks must go to the organizing team, particularly Chris Anderson, whose diligence in creating the PowerPoint graphics and preparing the running sheet was second to none. We also sincerely thank Jo Fairy, who oversaw the venue, entertainment, and guest list and again did a phenomenal job ensuring the evening ran smoothly. Scott Taylor also did a wonderful job as MC. In his third year hosting our presentation night, Scott really hit his stride and did an excellent job keeping the evening on track. We are also extremely fortunate to have the continued support of our trophy sponsor and long-time supporter, Paul Attfield from Saxon Sports in Croydon, who again absolutely hit the trophies out of the park. Their combined efforts helped make the night a remarkable success and a wonderful celebration of senior cricket across the RDCA.

The Senior Men's T20 competition was again another outstanding event and continues to be a highlight of the senior cricket calendar. The Senior Committee would like to thank Steve Oxley and former RDCA Committeeman Damian Ford for their efforts in bringing the ever-growing competition together. This season, Steve also managed an incredibly sad situation following the tragic passing of Ben Austin of Ferntree Gully Cricket Club at one of the scheduled T20 matches. Steve had the unenviable task of consulting with the club to ensure that the wishes of both the club and Ben's family were respected and managed with care, compassion, and dignity. He did an outstanding job representing the whole Association during a deeply tough time, and his efforts in such circumstances deserve special acknowledgement. More broadly, the work done behind the scenes has helped the tournament continue to build strongly, and it is exciting to see the momentum it is now gathering. With more teams from abroad already looking to gain entry into the upcoming series, the competition is clearly earning a formidable reputation and has become an excellent showcase for senior cricket within the RDCA.

The 2025–26 season has also, sadly, been touched by tragedy and near tragedy at RDCA games. We unfortunately had an elderly spectator pass away after a tree branch fell on him, an incident that deeply affected all involved. Members of the RDCA Board and the Senior Committee consulted closely with Ainslie Park Cricket Club to help organize counselling services and, at the club's request, reschedule the following weekend's game away from the venue. Wonga Park Cricket Club also experienced a serious on-field incident when a player required resuscitation during play. These incidents, along with several similar situations over recent seasons, have reinforced the importance of emergency preparedness across our grounds. As a result, the RDCA will be stepping up its requirements around defibrillators at all grounds, with player, official, volunteer, and spectator safety remaining a clear priority for the Association.

The Senior Committee also extends its sincere thanks to the member clubs for the way they continue to engage with the Association and support the broader competition. Whether through feedback, attendance at meetings, cooperation with fixturing and administration, or the countless volunteer

hours contributed each week, the clubs remain the foundation of senior cricket in the RDCA. Their continued commitment is not taken for granted.

It is also important to acknowledge the standard of respect and sportsmanship shown across the senior competition. While any large competition will face difficult moments and decisions, the willingness of clubs, captains, players, and officials to work through matters constructively has been central to maintaining the spirit of the game and the reputation of RDCA cricket.

In summary, the Senior Men's competition has enjoyed a great and highly successful season, with increased participation across the senior grades and strong engagement from clubs, players, officials, and volunteers. Many grades were hugely competitive throughout the year, leading to hard-fought finals and well-deserved premiers. Our congratulations go to every premierships player, as well as to the clubs and support networks behind them, for the commitment and effort required to achieve success. Looking ahead, the upcoming season is shaping as another big one for senior cricket. There will certainly be significant tasks for the Senior Committee to work through, particularly with the implementation and integration of both an administration staff member and the player points system. We know there will be challenges ahead, but as a committee we stand ready to take them on in the best interests of the competition and the clubs we represent.

The work of the Senior Cricket Committee has again been invaluable this season, with Wayne Hartley's steady leadership as Chairman providing clear direction and support throughout the year. Paul Broussard has continued to serve the competition diligently as Secretary, ensuring communication and administration remain on track. Chris Anderson's contribution as Assistant Secretary and in overseeing rules has been appreciated, particularly in helping clubs navigate matters clearly and fairly. Steve Oxley has done an excellent job coordinating the T20 competition, while Adam Kuklych's work with registrations and PlayHQ has been vital in keeping the competition organized and compliant. We also thank Warren Atkinson and Pat Meehan for their valuable input as general committee members, Doug Wooles for his ongoing support and coordination of umpires, and Peter Chamings for his dedicated work with the Veterans competition. Each of these gentlemen has given his time generously, and the strength of senior cricket across the RDCA is better for their efforts.

Finally, we congratulate everyone involved in the 2025–26 season and thank the members of the Senior Cricket Committee for their time, input, and commitment. The season has again shown the strength of senior cricket across the RDCA, the depth of contribution from our clubs and volunteers, and the willingness of the Association to meet challenges with care and purpose. I look forward to seeing senior cricket continue to grow and strengthen across the RDCA in the seasons ahead.

Representative Cricket - Pat Meehan

A. Annual Mens' RDCA "All Stars" v Ringwood Rams.

This annual mens' match was played on Wednesday 11th February 2026 at Lucas Oval, Jubilee Park, Ringwood. The RDCA team comprised of the following players:

1. Andy Solomon – Kilsyth
2. Jesse Lynne – St. Andrews (captain)
3. Jake Tucker – Ainslie Park
4. Ryan Peter-Budge – North Ringwood
5. Joe Blyth – Croydon Ranges
6. Lincoln Wong - Templeton
7. Taylor Gibson – East Ringwood
8. Mitch Plant – St. Andrews
9. Jack Blyth – Croydon Ranges
10. Luke Ridgewell – North Ringwood
11. Jono Mummy – Mooroolbark
12. Aden Higgins - Mooroolbark

RCC won the toss and elected to bowl.

RDCA 1st Innings

A. Higgins – caught Noonan bowled Lawson - 39
J. Tucker – caught Lawson bowled O'Riley - 31
A. Solomons – caught Ivanovic bowled O'Riley - 30
L. Wong – caught Moore bowled Lawson - 14
R. Peter- Budge – caught O'Riley bowled Moore - 16
T. Gibson – caught Lawson bowled O'Riley - 25
J. Lynn – stumped Gibson bowled D.Walker - 26
J. Mummy – caught Moore bowled D.Walker - 5
Joe Blyth – not out - 1
Jack Blyth – not out - 2

(Did not bat – M. Plant, L.Ridgewell)

Extras - 11

Total = 8 / 200 cc. (20 overs)

J. Beaton 0/30 (2 overs), L. Walker 0/18 (1 over), D. Walker 2/30 (4 overs), B. O'Riley 3/40 (4overs), G. Lawson 2/34 (4 overs 2/34), D. Noonan 1/18 (1 over), C. Moore 1/25 (4 overs).

Play was abandoned at the change of innings due to persistent heavy showers and unsafe ground conditions.

Congratulations to the players of both teams for making themselves available for this significant match for the RDCA.

Thanks to the umpire – Joshua Tolcher (RDCA) who made himself available.

Thanks also to the scorers – Janet Howard (RCC) and Stuart Minetti (RDCA)

Special thanks to Dwayne Paisley for undertaking the roles of selector and coach of the RDCA team.

B. RDCA Womens' All Stars v Ringwood Rams

This match was played on No.2 oval, Jubilee Park, Ringwood on Wednesday 11th February 2026 in conjunction with the men's match.

The RDCA team comprised of the following:

1. Rachel Heenan – Bayswater Park (Captain)
2. McKenzie Suppa – Bayswater Park
3. Jess Sanders – Bayswater Park
4. Tamzyn Polkinghorne – Mooroolbark
5. Jess Adams – Mooroolbark
6. Lily Osborne – Norwood
7. Rachel Harris – Canterbury
8. Eva Sheth – Canterbury
9. Ruby Bracegirdle - Warranwood
10. Hailey Ferris – Heatherdale
11. Kim O'Connor – Warranwood
12. Bailea Robinson – Warranwood

As this match was not scored on PlayHQ and the scorebook is missing, the following notes have been provided by Linda Bailey:

"RDCA bowled first and, despite persistent drizzle, were able to reduce RCC innings to a total of 103, leaving RDCA 104 to win. Our bowling was tight with very few extras and the fielding was exceptional. The team was in a positive frame of mind believing the target was achievable, even in view of the worsening weather conditions. Unfortunately, the match had to be called off in the first over of the RDCA innings as the wicket and surrounds became so slippery that the RCC opening bowler fell over twice during the over. With no sign of the rain letting up, and the light worsening both teams agreed to call it for over safety concerns."

Thanks to the umpire – Shaun Everritt (RDCA).

Thanks to the Coaches – Chris O'Brien (Ringwood), Shane Larmour (RDCA).

Thanks to the RDCA selectors – Members of the Women's Committee

Thanks to RDCA scorer – Linda Bailey.

We look forward to the continuation of the women's match in future seasons.

Umpires Association - Jordan Russell

Firstly I would like to say thank you to the RDCA Committee's for a well run season.

From an umpires' point we had another very good season with a good solid 36 umpires being available for most weeks of the season and finals. We are still a bit light on to be able to cover 2 umpires in the top 3 grades, but we always endeavor to appoint 2 umpires where we could. during the finals we were able to accommodate the top 5 grades with 2 umpires and then filtered out other umpires through the other grades but we weren't able to filter through to every grade.

We worked on a new way for captains to complete their reports which did work for the most part and we are always looking to improve this to make it easier for us to get the feedback that we require.

We had some mid season changes with Adam stepping down from his role as secretary but Doug Wooles stepped up in place and help us get through the season.

We saw some new faces and old faces return for another season. This season we saw the inclusion of a former state and international umpire whose wealth of knowledge was fantastic I look forward to working with John again this season.

I would also like to congratulate the winner of the umpire of the year and Ken Dunham award winner Les Corchrane.

Congratulate the umpires who umpired in all grand finals this season but in particular the 2 men who stood in the Trollope grand final Rod Jenkins & Les Corchrane.

I would also like to thank the umpiring fraternity for all of their support throughout the season especially my committee for all of their hard work.

Lastly I would like to thanks my wife Belinda for all of her support during the long season.

JUNIOR COMPETITION REPORT

Junior Chair - Gavin Kellar

Another season has been completed and, once again, the RDCA Junior Competition demonstrated why it is regarded as one of the strongest and most vibrant junior cricket programs in Victoria. Across every age group, we witnessed outstanding performances, thrilling finishes, exceptional sportsmanship and, most importantly, thousands of young players developing their skills and deepening their love of the game.

The success of our competition is built upon the commitment of volunteers, coaches, team managers, scorers, parents, grandparents and club officials who generously contributed their time throughout the season. On behalf of the RDCA, I extend my sincere thanks to everyone who played a part. Whether preparing grounds, organising teams, coaching players or supporting from the boundary line, your efforts were fundamental to another successful year.

Our competition delivered many memorable moments. Grand Finals showcased the depth of talent across the association, with high-quality contests played in an excellent spirit. It was also extremely encouraging to see increasing numbers of junior players progressing into senior cricket across our clubs, highlighting the strength of our development pathways and the health of the game within the RDCA.

The continued growth and quality of our girls' competition was once again a highlight of the season. Clubs invested heavily in specialist coaching programs and winter academies, creating more opportunities for girls to develop their skills and enjoy the game. This progress was exemplified by a significant milestone for the association when Charlotte Whitchell became the first player in the history of the RDCA junior girls' competition to score a century. Her magnificent innings of 102 retired from 130 deliveries was a remarkable achievement and a moment that will be remembered for many years. The quality of the competition was further highlighted in the Stage 3 Grand Final, where Warranwood past Norwood's 8/133 on the second last ball of the innings finishing on 6/134.

The competitiveness of the competition was reflected in the remarkable balance across all grades. Twenty-four premierships divisions were contested, with seventeen different clubs celebrating Grand Final success. Warranwood enjoyed an outstanding season with three premierships, while Heatherdale (U12), Templeton (U14) and Warranwood (U16) each secured Division 1 titles. Heatherdale claimed the Champion Club award after narrowly finishing ahead of Warranwood, a reflection of excellence across all levels of its junior program. Congratulations to everyone involved at Heatherdale on this outstanding achievement.

A competition of this scale relies heavily on dedicated administrators, and few have contributed more than Junior Secretary Bill Stafford. Bill once again managed the ever-growing demands of both our club and representative cricket programs with professionalism, dedication and efficiency. His tireless work behind the scenes was recognised this season when he received a Cricket Victoria Service Award. This honour was richly deserved and reflects the enormous contribution he has made to junior cricket and community sport over many years.

The RDCA enjoyed one of its most successful Victorian Metropolitan Cricket Union carnivals in recent memory. Seven of our ten representative teams qualified for finals, while both our Under 17 Jim Beitzel and Under 17 Mel Jones Shield teams went on to win premierships, an outstanding achievement for the association.

This success was due in large part to the leadership and commitment of Dale Ingleton within the male program and David Sykes within the female program. Both played instrumental roles throughout the selection process and worked tirelessly to ensure representative cricket remained an aspirational pathway for young cricketers across the RDCA. Their commitment to providing opportunities for all interested players to trial continues to strengthen our representative program and player development pathways.

A special thank you must also go to Luke Henderson for his experience and knowledge during the selection trials, Bill Stafford for the enormous amount of administrative work undertaken behind the scenes, and our outstanding group of coaches and team managers who provided support, guidance and encouragement throughout the carnival period.

The continued emergence of Victorian representative players from RDCA programs further highlights the strength of our development system. This was reinforced by more than fifty players being selected in GJ Craig Shield, Marg Jennings and Premier Cricket Dowling Shield squads during the season.

The quality and coverage of junior umpiring continued to improve under the leadership of Doug Dowling. Many sporting competitions face ongoing challenges in recruiting and retaining officials, yet Doug's enthusiasm, mentorship and dedication have strengthened our umpiring program and attracted new participants. His efforts ensured more matches could be officiated while also providing valuable opportunities for young people to remain involved in cricket in different ways.

The ongoing advancement of our girls' cricket program would not have been possible without the commitment of Cherie Howland, Kristi Disney, David Sykes and Eloise Howland. Their work throughout the grading process helped create balanced competitions and positive experiences for all participants. They also introduced several rule changes during the season that increased opportunities for players to contribute and develop their skills. Through their efforts, more girls have been introduced to cricket, progressed their development and discovered pathways into increasingly competitive levels of the game.

I would also like to acknowledge the outstanding contribution of our entire Junior Committee: Bill Stafford, Cherie Howland, Doug Dowling, Kristi Disney, David Sykes, Luke Henderson, Eloise Howland and Leah Parker. Their dedication, planning and hard work throughout the year allows our young cricketers to simply turn up, enjoy their cricket and be part of a positive sporting environment. Much of their work occurs behind the scenes and often goes unnoticed, but it is absolutely vital to the successful operation of our competition.

Our partnership with Saxon Sports continued to be highly valued. Paul Attfield and his team share our vision for junior cricket and understand the important role community sport plays in bringing people together. Their ongoing support of our representative program has contributed significantly to its success, while their sponsorship of awards for our best male and female Under 16 cricketers further demonstrates their commitment to junior cricket. We are extremely grateful for their contribution to the RDCA.

Participation remained strong throughout the association. This season, 221 teams competed across the RDCA Junior Competition (excluding T20 competitions), representing an increase of two teams on the previous season.

Team numbers across the age groups were:

- Mini Bash: 47 teams (down 1)
- Girls Stages: 35 teams (no change)
- Under 12: 63 teams (up 8)
- Under 14: 42 teams (down 3)
- Under 16: 34 teams (down 2)

The significant growth in the Under 12 competition was particularly encouraging and resulted in the creation of an additional grade. This increase provides a positive outlook for future seasons, with many of these players expected to progress into the Under 14 competition next year and subsequently into Under 16 cricket. While participation in the Under 14 and Under 16 age groups declined slightly, the strong growth in our younger age groups suggests the competition is rebuilding strongly and is well positioned for continued growth in the years ahead.

As this is my first President's Report, I have been fortunate to witness firsthand the passion, dedication and community spirit that make the RDCA such a special organisation. The future of the association remains exceptionally bright thanks to the countless volunteers, families, players, coaches and supporters who continue to invest in junior cricket.

Junior Secretary - Bill Stafford

At our AGM a number of rule changes were approved:

- A fill in players could only play one game. Any additional games the player needed to be registered.
- U12 bowling restrictions – before a bowler could bowl their 3rd or 4th over, all bowlers must have bowled their minimum 2 overs.
- Stage 2 Girls– number of overs increased to 23.
- Stage 3 Girls – number of overs increased to 25.
- Girls rules – rewritten to be more user friendly.

We are now in our 3rd year of PlayHQ, clubs now becoming very familiar with the system. However, we are still having problems with OfficialHQ in assigning umpires to games.

This season we had 221 teams (excluding T20 competitions), up 2 teams from last season. The Basin CC join this season with 5 teams.

Team numbers:

Mini Bash – 47 (down 1)

Girls Stages – 35 (no change)

U12 - 63 (up 8 resulting in an additional grade)

U14 - 42 (down 3)

U16 - 34 (down 2)

With a good increase in U12 teams this will hopefully flow through to U14 next season and U16 in following years. The down turn in U14 and U16 teams is a result of a flow on effect from COVID where we took a hit in a lower age groups.

Our junior umpiring numbers continue to increase. This season we were able to provide umpires for U12/1 to 3, U14/1 to 4, U16/1 to 3, Girls Stage 3 and all finals.

Congratulations to our premiership teams:

Grade	Winners
Stage 1 Girls Stars	Bayswater Park

Thank you to our amazing junior coordinators. Without all your time and efforts our junior competition would not run as smooth as it does, and we would not be in such strong position as we are today.

Thank you also for all the support from our junior committee (Gavin Kellar, Cherrie Howland, Ella Howland, Kristi Disney, Leah Parker, David Sykes, Doug Dowling and Luke Henderson). Special mention to Gavin who took on the role of president from Sean Flynn. Sean held the role for 11 years and was awarded life membership this season. It has been a seamless transition.

VMCU Carnival- Bill Stafford

This season we entered 10 teams and had a very successfully carnival with 6 teams making finals and winning two premierships.

The VMCU made some changes to the age structures for boys:

- A 3rd U12 grade was introduced- U12 Boys Phil Arnold Shield
- U14 Des Nolan was changed to U13 Des Nolan
- U16 Jim Bietzel was changed to U17 Jim Beitzel
- U18 Phil Arnold was removed

The RDCA, FTGDCA and BHRDCA combined together in submitting a request to the VMCU recommending that the higher place teams in turf finals were entitled to host finals on synesthetic wickets if a turf wicket could be sourced. Previously if a turf wicket was not available and if the lower placed team could obtain a turf wicket, they were offered to host the game. This recommendation was accepted and this did benefit both our U17 girls and U17 boys who were the higher placed teams and were able to host grand finals at Mooroolbark and Lilydale respectively.

Results of our teams making finals:

U12 Girls Fatone

Semi Final RDCA 4/131 (Zoe Witchell 27*, Chloe Auman 25) defeated All Girls 9/130 (Sidhi Budhiraja 4/17)

Grand Final North West 4/140 (Zoe Walles 2/14) defeated RDCA 122 (Zoe Witchell 36*, Rianna Sandhu 27)

U12 Boys Josh Browne

RDCA 152 (Liam Dougherty 35) defeated by Western Region 4/153

U13 Boys Des Nolan

Semi Final RDCA 9/166 (Vivann Varum 43) defeated by SECA 3/168

U16 Boys Keith Mackay

Semi Final RDCA 118 (Will Henderson 27) defeated by Box Hill 8/122 (Zax Mercer 3/30)

U17 Girls Mel Jones - PREMIERS

Semi Final RDCA 170 (Imogen Farrell 51, Holly Brennan 27) defeated All Girls 9/124 (Zara Close 3/24)

Grand Final RDCA 7/204 (Avanthi Jayawickrema 49, Jasmine Enever 35) defeated Western Region 144 (Jamine Enever 4/24)

U17 Boys Jim Beitzel - PREMIERS

Semi Final RDCA 110 (Darcy English 36) defeated DOCA 67 (Zavier Walles 4/13)

Grand Final RDCA 3/242 (Darcy English 54*, Elijah Prentice 57, Cooper Thomson 50*, Blake Kear 42) defeated SECA 131 (Kye Tasevski 3/3, Luke Spencer 3/5)

Congratulations to our trophy winners:

Team	Best Player	Coaches Award
U/12 Mitchell Shield	Xander Sommers	Max Parish
U/12 Josh Browne	Jackson Groube	Liam Dougherty
U/12 Phil Arnold	Shahbaaz Singh Saini	Jaegar Tarenidis
U/13 Des Nolan	Svanik Gandu	Ezra Joyce

U/14 Julie Savage	Madeleine McQualter	Amelia Bryant
U/17 Mel Jones	Jasmine Enever	Kiara Torney

A big thank you to our team managers for organising teams, setting up home games and communicating to parents and allowing our coaches to focus on what they do best. All our coaches did an amazing job and are such great role models. I am sure all our players would return to their clubs as better players and better for the experience.

Team	Coaches	Team Managers

Thank you also to Dale Ingleton (boys) and Dave Sykes (girls) for all the work they did in running the trials and selecting teams.

We are very fortunate to have such great sporting facilities across the RDCA. Thank you to Bayswater Park, Chirnside Park, Lilydale, Mooroolbark, and Mt Evelyn cricket clubs for hosting games throughout the carnival. A special thanks to Mt Evelyn CC for hosting the end of carnival BBQ.

Finally, a thank you to Saxon Sports for all the support in providing indoor nets for our indoor trials.

VETERANS COMPETITION REPORT

Secretary - Peter Chamblings

Veterans T20 Big Bash

Veterans T20 Big Bash 7 season we had 22 teams nominated for the season up from 16 teams 2025 season, amazing increase on last season. Thank you to the new teams that nominated Healesville, Knoxfield, Wantirna South, Lilydale, Heatherdale & South East Vets. Interest and growth of the RDCA Veterans T20 Big Bash competition has been incredible we had players from Geelong, Gippsland travelling to be part of competition. Importantly it's great to see Over 40's players who haven't played for many season return to competitive cricket and return to the clubs they played for and renew their love of the game.

The start of competition was interrupted with severe weather conditions which saw round 1 delayed a week and move the competition to start a week later than planned. Seeing days delayed to a Wednesday or Thursday and saw semi-finals also delayed. Lessons learnt from the interruption was to communicate as early as possible and keep the umpires updated early for umpire planning.

Feedback was positive from players and club officials around the competition, with many players wanting the competition increased to 5 rounds. Understand if a team win all 3 games but not able to play in the finals, this feedback has been noted with a review for next season.

Round 1 started on a week later than scheduled on 03/02, what a ripping round it was with high scoring, with a mix of close finishes and big wins. Wins to Seville Burras Vets, Eastfield Bald Eagles, Eildon Park Vets, Warranwood Vets, Norwood, North Ringwood Vets, Chirnside Park Vets, South East Vets, Templeton Vets, Lilydale Over 40 & Ainslie Park Vets.

Round 2 10/02. Saw some large score again, Seville highest score for the round 6-254 of 20 overs, Troyahn 76* off 26 balls. Wins to Templeton Vets, Seville Burras Vets, Warranwood Vets, Warrandyte T20 Vets, Eastfield Bald Eagles Vets, Eildon Park Vets, Kilsyth Vets, Lilydale Over 40 Mens, Healesville Over 40's, Ainslie Park Vets, & South East Vets.

Round 3 18/02. Unfortunately, this was one of the rounds disrupted with severe weather conditions, it was a scramble to re-schedule games to later in the week either Wednesday or Thursday. This meant couple of teams couldn't get a team's together meant they had to forfeit. Wins to Chirnside Park Vets, Warranwood Vets, Norwood (by Forfeit), Ainslie Park (by Forfeit), South East Vets, Eastfield Bald Eagles Vets, Wantirna South Vets, Healesville Over 40's, Croydon Rangers T20 Vets, Seville Burras Vets, Warrandyte Vets T20, Templeton Vets, Eildon Park Vets, & Chirnside Park Vets.

Home & Away Ladder top 4. Well done to Eastfield Bald Eagles, Seville Burras Vets, Ainslie Park Vets & South East Vets, playing off in this year's Semi Finals. Tough for Warranwood to miss the finals by NRR 0.466

Semi Finals: Seville Burras Vets V's Ainslie Park Vets, Eastfield Bals Eagles Vets V's South East Vets. Again sever weather affected the games move to a Thursday & Fridays nights Wins to Seville Burras Vets & South East Vets, both games were close and again high scores well done to the winners.

Grand Final: Seville Burras Vets V's South East Vets at Seville Burras home ground. Played under very overcast evening. Seville Burras off to a slow start with tight bowling from South East Vets, back end of the innings they got motoring and scored 4/206 off 20 Overs, Jones 76 of 30 balls, Carroll 35* off 22 balls & Akers 31 off 21 balls. South East Vets chase 9-168 they got off to a great start but lost wickets late, Watts 53 off 29. Congratulations to Seville Burras on a great win.

Thank you to Seville Burras for hosting the Final, the GF was played with great spirit and enjoyed by most watching the game.

To all teams and players thank you for a wonderful T20 Big Bash season, feedback was very positive and enjoyed by everyone.

A special thank you to all Umpires for attending and officiating all games, and your enjoyment of the competition.

I would also like to thank Adam Kuklych on his help and support helping with the fixturing and uploading to PlayHQ and support great appreciated.

Looking forward to T20 Big Bash Season 8.

Eastern Veterans Competition

The Eastern Veterans Competition is an Over 40's partnership competition between the Ringwood and District Association (RDCA) and the Box Hill Reporter Cricket Association (BHRDCA). The competition was first contested in 2023-24.

In season 2025-26 a total of 14 teams competed across the two divisions with a total of 210 players registered to compete in the season. The normal seven round season was fixtured with only one round significantly affected by weather with a

wash out for most teams in Round 2. Finals were played over the weekends of February 8 and 22 2026.

The A Division Peter White Perpetual Trophy had a total of 8 teams competing. The final was held between Notting Hill Brandon Park and Warranwood with the teams having finished 2nd and 4th respectively. Notting Hill Brandon Park were the eventual premiers chasing down the Warranwood innings of 9/134 with 9 overs to spare.

The B Division Ken Johnston Trophy was contested by 6 teams following a late withdrawal and the decision to drop our third division for this season. Croydon Ranges and Templestowe finished 3rd and 4th respectively at the completion of the home and away season and contested the Grand Final. Croydon Ranges winning the toss in the decider, electing to bat and finished on 6/220 from their allotted 36 overs. In reply Templestowe made a respectable 7/189 from their 36 overs but falling short of the required runs.

The C Division Bill & Marg Stafford Trophy was not contested this year due to lack of teams. It will be resurrected in the future should enough teams nominate.

The season completed we look forward to season 2026/27 with the hope that a few more clubs will enter an over 40 team.

WOMEN'S COMPETITION REPORT

Secretary - Pamela Vodopier

Season 2025/26 marked the fifth season of the RDCA Women's Competition. What started as a small competition has continued to grow into a thriving five-grade structure, comprising our Premier grades (A and B) and Community grades (C, D and E), with E Grade continuing to provide an important development pathway for new and emerging players.

The competition's growth has been remarkable, and this season we were delighted to welcome new teams from Knox Boronia, Vermont, Vermont South/Blackburn and Eastfield. It's fantastic to see more clubs recognising the value of women's cricket and joining the competition.

Being Victoria, the weather once again did its best to remind us of who's really in charge. Many Sundays felt like Groundhog Day as we bounced between "too bloody hot" and "when on earth will the rain stop?" As always, we played whenever we could and complained about the conditions in good spirits when we couldn't. On the upside, there were plenty of opportunities for players, club officials and umpires to fraternise with the "enemy" while waiting for grounds to dry or the clouds to move on.

When we did get on the field, however, the cricket was outstanding. The season produced some brilliant performances, all of which were celebrated at our Presentation Night on 10

April. It was wonderful to see so many players and club representatives attend to acknowledge our premiers and award winners.

One of the evening's most prestigious moments was the induction of Sarah Smith from Bayswater Park Cricket Club into the RDCA Hall of Fame. What an incredible achievement and a thoroughly deserving honour.

Congratulations also to the second Radio Eastern 98.1 FM Women's Player of the Year, Rachael Harris from Canterbury. Rachael may well have needed a trailer to transport all her awards home after claiming the A Grade All Rounder and A Grade Best and Fairest titles too.

Our other Champion Players were:

- **B Grade:** Caitlyn Parker (Lusatia Park)
- **C Grade:** Ivy Hammerton (Vermont South/Blackburn)
- **D Grade:** Georgia D'Amico (Warrandyte)
- **E Grade:** Cassandra Bull (Vermont)

Congratulations also to our 2025/26 Premiers:

- **A Grade:** Bayswater Park
- **B Grade:** Mountain Gate
- **C Grade:** Heatherdale
- **D Grade:** Wonga Park
- **E Grade:** Vermont

A special mention goes to Vermont, who made quite the first impression in their inaugural season. Much like Knox City did last year, they announced themselves in style by claiming the E Grade premiership, with Cassandra Bull also taking home the E Grade batting award. Not a bad way to introduce yourselves!

The season also gave us what we hoped would be another opportunity to showcase the outstanding talent within our competition through the second RDCA All Stars match against the Ringwood Rams. Unfortunately, the weather had other ideas. After the first match was washed out, the rescheduled fixture also fell victim to the rain.

The All Stars featured an outstanding mix of established players and emerging talent:

- Jess Adams (Mooroolbark)
- Ruby Bracegirdle (Warranwood) (U17)
- Hailey Ferris (Heatherdale)
- Rachael Harris (Canterbury)
- Rachael Heenan (Captain, Bayswater Park)
- Kim O'Connor (Warranwood)
- Lily Osborn (Norwood)
- Tamzyn Polkinghorne (Mooroolbark)
- Bailea Robinson (Warranwood)
- Jess Sanders (Bayswater Park)
- Eva Sheth (Canterbury) (U17)

- Mackenzie Suppa (Bayswater Park)

Despite persistent drizzle, the All Stars produced an outstanding performance in the field, restricting the Rams to 103. Requiring 104 for victory, the team was confident of chasing down the target before worsening conditions forced the match to be abandoned after just one over of our innings. While the result was disappointing, the match once again highlighted the quality and depth of talent within the RDCA competition.

Nevertheless, at least we got the T20 sorted (thanks Mother Nature!). We adopted a different approach to delivering a standalone T20 competition. Rather than incorporating it into the regular season, the competition was conducted over the Christmas period. This timing was chosen to accommodate the challenges many women's teams face in fielding players during the traditional Christmas break due to family commitments.

With the support of the FTGDCA, both associations aligned their home-and-away fixtures to conclude two weeks before the men's competitions at Christmas. This not only created a dedicated window for the tournament but also allowed for an even fixture schedule. Competition resumed one week after Christmas, enabling the tournament to be completed without impacting the remainder of the season.

As with any new initiative, there were several challenges. A small number of teams withdrew only days before the tournament commenced, and promotion of the event could have been stronger. In addition, wet weather resulted in the loss of a round, requiring adjustments to the schedule.

Despite these setbacks, it was successfully completed with 12 participating teams. The willingness of clubs and players to be flexible and work collaboratively was a testament to the strong community spirit that exists within women's cricket. Their support ensured the competition achieved its primary objective of providing additional T20 opportunities, with Mooroolbark ultimately emerging as deserving champions.

This tournament led our Chair Linda Bailey, to present two Excellence in Leadership Awards to players whose work behind the scenes ensured the creation of the T3 United and Liquorice Allsorts teams. Rather than seeing teams miss out, Charlotte Stevens and Nilakshi Perera took the bull by the horns to ensure the competition remained balanced and everyone had the opportunity to play. Their willingness to step up embodied everything community cricket is about.

Overall, it was another successful season, with 36 teams representing 27 clubs from the RDCA and neighbouring associations taking part. Even more encouraging is that several additional clubs are already expressing interest in joining next season.

None of this would be possible without the dedication of our committee, whose tireless work keeps our competition thriving. We extend our sincere thanks to our outgoing Chair, Linda Bailey, for her outstanding leadership, and to our "Keep It All Together" favourite, Belinda "Chop" Cunningham, whose unwavering commitment and behind-the-scenes efforts have been invaluable. Quite simply, we could not have achieved this season without them.
